## Bomar hosts cake walk/health fair, buys small equipment for unit

Organizers enjoyed a great turn out for the first ever Bomar health fair and cake walk. The event was part of the Kindred Customer Service Program and educated everyone that attended about stroke prevention, diet, therapy and after-care for strokes. Kindred is the management company for our Bomar Rehab service.

Staff and supporters baked 18 cakes, 17 of which were prizes for the cake walk. One was sold.

Proceeds from the event went towards the purchase of cordless phones for the unit and a new microwave for their ADL apartment. That apartment helps staff assess whether patients who are about to graduate from the rehab program are ready to return to real-world independent living situations, like using a microwave, washing dishes and preparing meals.

If you're sorry you missed out on all the fun, Bomar will have another activity on March 3, when they will host a Chili Cook-off in the Auxiliary Conference Center, with proceeds benefiting the Bomar therapy department. Contact Terri Alexander at ext. 8405 or [alexant@nacmem.org](mailto:alexant@nacmem.org) for more information or to register a team for the competition.

## We Found Love at the Gift Shop, Coffee Spot & Bright Café

## Save the date for Memorial golf 2017

The 2017 Memorial Foundation Golf Tournament is booked for May 5 at Piney Woods Country Club, so mark your calendars.

"This event was such a great success last year, that we almost had more teams than we could handle," said Katy Crawford, foundation director. "Based on feedback from last year, we decided to add a morning round to the tournament. That way we'll be able to accommodate even more golfers.

Giving teams the option to play in the morning or the afternoon should allow us to include everyone who wants to be part of it. The tournament falls on Cinco de Mayo, so that will add some flavor and fun too."

The foundation will be looking for sponsors, volunteers and golfers, so if you or anyone you know would like to be involved, please contact Katy Crawford at ext. 4194 or [crawfork@nacmem.org](mailto:crawfork@nacmem.org).

### Security golf cart convenient for visitors

Last fall the Memorial security department acquired a five-seater golf cart, which staff will use for making rounds of our campus, as well as providing car-side pickup for our visitors. Team members concerned with personal safety after dark can also request car-side delivery to their vehicles. Just call security to ask for an escort.
